

# BACKING PREPARATION

If wide back is used, please press thoroughly ... wide backs tend to have creases in them.

If piecing the back, place the seam horizontally vs vertically (unless fabric is directional). Vertical seams can cause tension issues.

Remove salvage edges on both pieces to be seamed - use 1/2" seam and press open.

Please make sure backing is square

**\*\*Example applies vertically as well**

The same applies to “pieced backing”, if using large pieces of fabric to create backing, please make sure to square up and make it 6” longer and wider than quilt top.

# QUILT PREPARATION FOR BEST RESULTS

**Proper Preparation** will save us time and you money. By following the preparation steps below, you can avoid time delays and add-on charges.

1. Press your quilt top and backing thoroughly.
2. Place a safety pin at the top of both the quilt and backing fabric.
3. If you pre-wash your fabrics, pre-wash all of them.
4. Clip all loose threads from the back and front of the quilt top.
5. Square up backing fabric. (See Backing Preparation)
6. Size your backing a minimum of 6” longer & wider than your quilt top.
7. Do not baste, pin, or tack your quilt together. Simply fold each piece.
8. Be sure to remove all salvages when seaming your backing.
9. Be aware that fullness and puckers, which have been pieced in, cannot be quilted out.

## Add-on Charges:

If your quilt requires additional preparation upon its arrival, the following charges may apply. You will be notified via phone or email before work is done.

- Squaring backing: \$10.00
- Pressing: \$10.00

# LONGARM QUILTING SERVICES & PRICING

We are in down town Prescott, Wisconsin. Just 20 minutes south of the Twin Cities.

## Store address:

220 Broad (Main) Street  
Prescott, WI 54021

Gail Doblar: 651-434-9978

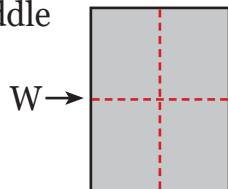

Roxy Murray: 651-214-6946

# How to estimate quilting cost

- Measure width & length of quilt top in inches across the middle

Ex: W = 69"  
L = 89"

- Multiply length X width = total Sq Inches
- Divide total square inches by 1296 to get the Square Yards of your quilt top
- Multiply by the quilting level you prefer.

## Example:

69" X 89" = 6141 / 1296 = 4.74 Sq Yds

For Light Density Pattern:

4.74 X \$23 = 109.02

+ additional items + tax

# RUSH REQUESTS-\$25

We strive to keep our leadtime to 2-3 weeks. If you need your quilt by a date within 1-2 weeks, then the \$25 fee is applied.

*\*Prices subject to change without notice\**

# QUILTING PRICE MENU

Our pricing is based on Square Yards

## Edge to Edge

All over edge-to-edge patterns include simple meanders, feathers, swirls, butterflies, and many more!

The following pricing depend on the density or detail of the pattern you select.

E2E1-Light Density	\$23/ Sq Yd
E2E2-Medium Density	\$25/ Sq Yd
E2E3-Heavy Density	\$27/ Sq Yd

## Trimmed Edge to Edge

We trim the quilt pattern so it does not stitch over any embroidery, appliques, pictures or other parts of quilt top. The rate depends on the number of items that need to be trimmed. This charge is in addition to the E2E quilt charge.

1 – 5 Trimmed Items	\$20
6 – 10 Trimmed Items	\$30
11+ Trimmed Items	\$40

## Minimum Quilting Fee: \$49

Our minimum quilting fee is \$49 for quilting service only. Thread, batting and other services are additional. For quilts less than 3 Sq Yds in size.

## Binding

Customer prepared binding. We are happy to attach & finish your binding:

- .12 linear inch to Front Only
- .25 linear inch to Front & hand sewn on back
- Prepare and finish your binding for \$.35 linear inch (2x W + 2x L)

# THREAD

Quilt Size	Solid	Variegated
Minimum	\$5	\$7
Crib / Throw	\$6	\$8
Twin / Full	\$7	\$9
Queen	\$8	\$10
King	\$14	\$16

## Additional Colors per quilt

If 2 or more thread colors are desired, there is an additional charge of \$3/color change.

## Batting

- \$3.75/Sq Yd - 100% Cotton
- \$3.75/Sq Yd - 80/20 Cotton Poly

You may also provide your own batting – it must be 6" larger than the quilt top length & width

## Example:

**Quilt Top** = 48" W X 69 L

**Batting** = 54" W X 75" L
